

## Errata and Addendum to 52.4

The following are the proposed changes to 52.4 for the revised edition. The language used has been standardized. Typos and incorrect word choices have been addressed. ~~Strikeout text~~ is to be removed from Rev52.4, text **highlighted in green** is to be added, and text **highlighted in yellow** is editorial in nature and not to be in the final revision.

**Sections II.D.1(duplicate) thru II.D.6: Section Header II.D.1. was duplicated. These Section labels will be renumbered but not otherwise altered.**

II.E.1.a. Breaks of selected divisional gait of more than three strides disqualify that run. **These three strides of grace are for the entire run, on the fourth broken-gait stride the run shall be disqualified.**

II.D.4. If after review it is discovered that the Regulations were not followed, followed incorrectly, or a problem with the IKEqC Regulations exists, the IKEqC Council will rule on the matter and announce its findings and the impact on the scores effected. **(Common sense here, but Since we're in for a penny, might as well leave us a better option for the future.)**

II.G.4~~5~~. If a redacted score impacts the final scores for Game Champion or Tournament Champion, the IKEqC Council will rule on the matter and ~~announce~~ **announce** its findings as to the impact on the records at that time. **(note the label change)**

IV.F.6.c. TAs are not permitted to enter an active field, unless they hold another authorization that permits this or an EM specifically invites the TA on the field under the EM's authority under Society, Kingdom, or Local rules for ~~Equestrian~~ **Equestrian** Activities.

IV.F.8.a. An appeal for IKEqC ~~priviledges~~ **privileges** alone may by made to the IKEqC Council, though the IKEqC Council may elect to defer until after the Society, Kingdom, or Local review is complete.

V.E.3. Draw weights shall be the ~~the~~ lesser of 35 pounds and the Society weight standard or the Kingdom weight standard or the local weight standard. **(double word)**

VII.C/D.3.b.v. At the last standard, the rider guides their mount around to face the starting line and returns without weaving on the return. The Rider is **not** permitted to break competition gait at this point in order to speed to the finish. **Riders are required to maintain Divisional gait on the return. (The additional sentence could be removed, but I think that with the addition of the negative in the original sentence it makes it very clear.)**

**VII.C/D.4.e.iii. Breaks of selected divisional gait of more than three strides disqualify that run. These three strides of grace are for the entire run, on the fourth broken-gait stride the run shall be disqualified.**

VII.E.3.a. The rider may start at either end and must be at competition gait when they reach the first standard. Breaking this for more than three strides during the run is a disqualification. **These three strides of grace are for the entire run, on the fourth broken-gait stride the run shall be disqualified.**

VII.F.3.c. The horse must be at competition gait upon reaching the first reed. Breaking gait to either a faster or a slower gait for more than three strides is a disqualification. **These three strides of grace are for the entire run, on the fourth broken-gait stride the run shall be disqualified.**

VII.G.3.e. The Rider may not hold the reins **reins** while in the course.

VII.G.3.f. ~~Breaking gait for more than three strides, coming to a stop before the end of the course, leaving the lane, or grabbing the reins will disqualify the run.~~ **Runs will be disqualified for any of the following reasons:**

VII.G.3.f.i. After reaching Divisional gait, breaks of selected divisional gait of more than three strides disqualify that run. **These three strides of grace are for the entire run, on the fourth broken-gait stride the run shall be disqualified.**

VII.G.3.f.ii. Loosing an arrow at a gait other than the Divisional gait.

VII.G.f.iii. Coming to a stop before the end of the course.

VII.G.f.iv. Leaving the lane.

VII.G.f.v. Grabbing the reins.

VII.H.3.e. The Rider may not hold the reins **reins** while in the course.

VII.H.3.f. ~~Breaking gait for more than three strides, coming to a stop before the end of the course, leaving the lane, or grabbing the reins will disqualify the run.~~ **Runs will be disqualified for any of the following reasons:**

VII.H.3.f.i. After reaching Divisional gait, breaks of selected divisional gait of more than three strides disqualify that run. **These three strides of grace are for the entire run, on the fourth broken-gait stride the run shall be disqualified.**

VII.H.3.f.ii. Loosing an arrow at a gait other than the Divisional gait.

VII.H.f.iii. Coming to a stop before the end of the course.

VII.H.f.iv. Leaving the lane.

VII.H.f.v. Grabbing the reins.

VII.H.3.g.iv. Example: Cindy the Sample has missed her first target and hit white on her second when a dog appears in the Safety Backfield **Backfield** and a hold is called. After the course is cleared, Cindy elects to start over rather than preserve the low score.

VIII.A.1.c. Riders are required to select a gait for their mount that does not exceed their authroized **authorized** level. This standard is external to the IKEqC.
